

Grunberger Diabetes Institute

Date: _____

Dear _____,

Welcome! Thank you for choosing the Grunberger Diabetes Institute.

We have you scheduled on _____@_____ with

George Grunberger, MD / Anjana Myneni, MD

Donna Hamill, DNP, NP-C, BC-ADM/Amy Tobin, DO

In order to assist us in expediting your appointment, please complete the following forms and bring them with you to your appointment.

Please also bring your:

- Insurance/Prescription cards
- Photo ID
- Copies of most recent lab results
- List of all current medications
- Testing log
- Glucose Meter

Unless an emergency occurs, you can expect us to be on time. We appreciate you being prompt also. If you need to reschedule an appointment, please give us the courtesy of 24hour notice.

Do not fast before appointment and please be prepared to provide us with a urine sample. We are a fragrance-free office, please refrain from wearing any scented items prior to and during your appointment.

We have included a map to our office. Please enter the building from the back of building and proceed upstairs to Suite 208, which is located at the very end of the hallway on the left side.

We look forward to meeting you! If you have any questions, please don't hesitate to call. We are here to assist you.

Sincerely,

The Staff of Grunberger Diabetes Institute

Authorization for Treatment and Assignment of Insurance Benefits

I authorize Grunberger Diabetes Institute (assistants and associates) to provide medical treatment for the above named patient. I consent to examination. I understand the exam results will be provided to me with recommendations. The responsibility for any follow-up exams lies with me and not with George Grunberger, M.D. (assistants and associates). I hereby release my examiner from all responsibility in connection with this exam. I understand that medical treatment is necessary for the patient by George Grunberger, M.D. (assistants and associates). I hereby consent to and authorize the administration of all treatments that may be considered advisable or necessary in the judgment of Grunberger Diabetes Institute. No guarantee or assurance has been given by anyone as to the results that may be obtained by such treatments. I authorize direct payment of medical benefits to Grunberger Diabetes Institute, P.C., its assistants and associates, for services rendered by its assistants or associates, in person or under supervision. I authorize the release of information required to determine benefits payable for related services. This authorization is in effect for my lifetime, or until I chose to revoke it.

MEDICATION HISTORY CONSENT FORM

By signing below I give permission for Grunberger Diabetes Institute to access my pharmacy benefits data electronically through RxHub. This consent will enable Grunberger Diabetes Institute to:

- Determine the pharmacy benefits and drug co pays for a patient's health plan.
- Check whether a prescribed medication is covered (in formulary) under a patient's plan.
- Display therapeutic alternatives with preference rank (if available) within a drug class for medications.
- Determine if a patient's health plan allows electronic prescribing to Mail Order pharmacies, and if so, e-prescribe to these pharmacies.
- Download a historic list of all medications prescribed for a patient by any provider.

In summary, we ask your permission to obtain formulary information, and information about other prescriptions prescribed by other providers using RxHub.

PATIENT CONSENT FOR USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION

With my consent, Grunberger Diabetes Institute, may use and disclose Protected Health Information (PHI) about me to carry out Treatment, Payment and healthcare Operations (TPO). Please refer to Grunberger Diabetes Institute Notice of Privacy Practices for more complete description of such uses and disclosures.

I have the right to review the Notice of Privacy Practices prior to signing this consent.

Grunberger Diabetes Institute reserves the right to revise its Notice of Privacy Practices at anytime. A revised Notice of Privacy Practices may be obtained by forwarding a written request to Grunberger Diabetes Institute Office Manager at 43494 Woodward Avenue Ste. 208. With my consent, Grunberger Diabetes Institute may call my home, email, text or other designated location's and leave a message on voice mail or in person in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, insurance items and any call pertaining to my clinical care, including laboratory results among others. With my consent, Grunberger Diabetes Institute, may mail to my home or other designated location any items that assist the practice in carrying out TPO, such as patient statements and collections letters. We may use medical information about you to provide you with medical treatment or services. We may use medical information about you to provide you with medical treatment or services. We may disclose medical information about you to doctors, nurses, technicians, medical students, or other people who are taking care of you. We may also share medical information about you to your other health care providers to assist them in treating you. By signing this form, I am consenting Grunberger Diabetes Institute use and disclosure of my PHI to carry out TPO. I may revoke my consent in writing except to the extent that the practice has already made disclosures in reliance upon my prior consent. If I do not sign this consent, Grunberger Diabetes Institute my decline to provide treatment to me.

Grunberger Diabetes Institute

Financial-Office Policy (please read carefully)

We are pleased that you have chosen our office. We would like you to be aware of the following policies:

We have saved your appointment time exclusively for you. Our policy is to charge \$50 for missed appointments that were not canceled more than 24 hours in advance. These charges will be your responsibility and billed directly to you. If you are running late for your appointment, please call the office. If you are more than 15 minutes late for your appointment, you may be asked to reschedule your appointment.

All prescription renewals will be done on the day of your appointment. If you need a prescription before your next appointment, you will be charged a \$5.00 processing fee. We do not fax prescriptions.

All co-payments and deductibles are due at time of service. This arrangement is part of your contract with your insurance company. Patient account balances must be paid within 30 days. We accept cash, checks and credit cards. If your check is returned to the office for any reason, you will be charged a \$50.00 fee.

While filing of insurance claims is a service that we provide, all charges are your responsibility from the date of service, any portion of the bill that is not paid by your insurance is your responsibility. We must obtain a copy of your driver's license and current valid insurance card to provide proof of insurance. If you fail to provide us with the correct insurance information, or your insurance changes and you fail to notify us in a timely manner, you may be responsible for the balance of the claim. Most insurance companies have time filing restrictions; if a claim is not received within 30 days of the date of service, it can be rendered ineligible for payment and you will be responsible for the balance that remains. If you are experiencing financial difficulties, please discuss this with our business staff prior to your appointment. Unpaid balances older than 90 days will be referred to a collection agency.

We currently do not participate with ANY Medicaid programs. If you have Medicaid, either Primary OR Secondary, we will not be able to see you Grunberger Diabetes Institute. If you fail to disclose that you do have Medicaid you will be responsible for any charges that you incur and you will be dismissed from our practice.

Due to the specialized nature of our practice and the specific needs of our patients the Grunberger Diabetes Institute provides *some services that may not be covered by insurance carriers*. As a courtesy to you, our office is prepared to submit claims to your insurance company. *It is important that you find out which services are covered by your plan before your visit*. If your plan requires you to obtain a referral, adequate planning is essential. Referrals must be authorized by your primary care doctor before your appointment can be made. We regret that we are unable to obtain your referral forms for you. If your insurance company requires laboratory specimens be sent to a specific lab, it is your responsibility to know which one. Please make us aware of your plan requirements.

As a courtesy to other patients and to our staff, we request that you silence your cell phone and refrain from answering your cell phone while in the office.

Thank you for understanding and adhering to these policies. We look forward to serving you.

Sincerely, the staff of Grunberger Diabetes Institute

Do You Need a Test for CVI? Grunberger Diabetes Institute

Chronic Venous Insufficiency (CVI) is a serious circulatory problem in which the leg veins cannot pump enough blood back to your heart. It affects over 25 million Americans, most over the age of 40. It is estimated that at least 20 to 25 million Americans have varicose veins. Symptoms of CVI include varicose veins, skin problems, leg and ankle swelling, tight calves, and legs that feel heavy, tired, restless, or achy. Factors that can increase the risk of CVI include pregnancy, obesity, smoking, standing or sitting for long periods of time and not getting enough exercise. Answers to these questions will determine if you are at risk for CVI and if a vascular exam will help us better assess your vascular health status.

Name: _____ Date: ____/____/____
 (PLEASE PRINT CLEARLY)

Test for Venous Disease

Circle "Yes" or "No":

- | | | | |
|---|-----|----|--------------------------|
| 1. Are your legs __swollen, __painful, __red or warm to the touch (__R/ __L/ __B)?
(CIRCLE ALL THAT APPLY) | Yes | No | <input type="checkbox"/> |
| 2. Have you had a blood clot in a vein that caused inflammation, pain or irritation?
(__R/ __L/ __B) | Yes | No | <input type="checkbox"/> |
| 3. Do you have varicose veins (veins that are enlarged or swollen and raised above the surface of the skin) in the legs (__R/ __L/ __B) | Yes | No | <input type="checkbox"/> |
| 4. Have you had a __Deep Vein Thrombosis (DVT) in the past and are experiencing __Pain, __swelling, __changes in skin color or __non-healing ulcers (__R/ __L/ __B)?
(CIRCLE ALL THAT APPLY) | Yes | No | <input type="checkbox"/> |
| 5. Do your legs feel heavy, tired, restless or achy (__R/ __L/ __B)? | Yes | No | <input type="checkbox"/> |
| 6. If you push on your swollen foot, ankle or leg for 10 seconds and release, does your fingerprint leave a dimple (__R/ __L/ __B)? | Yes | No | <input type="checkbox"/> |
| 7. If your feet, ankles and legs are swollen, does the skin look stretched or shiny (__R/ __L/ __B)? | Yes | No | <input type="checkbox"/> |
| 8. Do you have an ulcer on the inside of your ankle (__R/ __L/ __B)? | Yes | No | <input type="checkbox"/> |
| 9. Do you have dark brown pigment changes in your lower legs (__R/ __L/ __B)? | Yes | No | <input type="checkbox"/> |
